

1 Introduction

The Calvert Trust runs three centres and they focus on outdoor activity breaks specifically for disabled people.

These include activities that you would never have thought of getting involved with! Several HSP Support Group members have attended breaks and loved them.

David Pearce left a sum of money to the HSP Support group and part of that is allocated to helping our members go on a Calvert Trust break.

The Group will pay 50% of the cost, accommodation, meals and activities, for a member for a break of up to one week duration.

The process is simple:

- Get a price for your break from the Calvert Trust
- Apply to the HSP Support Group for a grant using the form below
- We will reply within 7 days to confirm the amount of our contribution
- We will pay you directly when you provide your receipt from Calvert Trust
